aidha

the world's micro-business school

build on the success you have already achieved...

a sustainable business is within your reach!

2nd module curriculum and schedule

what you'll achieve: enhanced capability in business planning & design, improved team skills, robust communications, speaking, and leadership skill, a fuller insight into business operations, finance, and marketing, and a robust business plan.

advanced leadership club: 15 students come together to learn advanced management and communication skills, tailored towards budding small business owners.

venture clubs: 15 students come together to learn skills in starting up a small business. Learning is based around a series of powerful video business cases showing real world perspectives of entrepreneurs.
